
THE PROCESS

The Framework

Phase 1

Check Interest (CI)

Find out if someone is open. Don't prejudge — just ask.

Phase 2

Good News Call (GNC)

Connect them with your upline. Let the credibility of the team do the heavy lifting.

Phase 3

PQI — Pre-Qualifying Interview

Set the stage. Learn about their dreams, frustrations, and openness.

Phase 4

QI 1 — First Qualifying Interview

Show the plan. Walk them through the business model and the vision.

Phase 5

QI 2 — Second Qualifying Interview

Follow up, answer questions, address concerns. The fortune is in the follow-up.

"The goal is not to convince — it's to sort. Find the people who are looking for what you have."
